EUROPEAN UNION REGISTRATION, EVALUATION, AUTHORIZATION AND RESTRICTION OF CHEMICALS (REACH) STATEMENT

Double HH Manufacturing provides the following information for customers regarding its products and REACH Regulation (Registration, Evaluation, Authorization and Restriction of Chemicals Regulation, EC 1907/2006), the European Union regulation that is intended to regulate the use and importation of chemicals and substances into the European Union.

The products manufactured/distributed by Double HH Manufacturing meet the definition of articles which do not intentionally release chemical substances; these products are not subject to the REACH regulation's registration requirements.

Products manufactured by Double HH Manufacturing do not contain REACH SVHC (Substances of Very High Concern) materials in excess of 0.1% by weight for chemicals, and/or if substances present in the Article in excess of 1 ton per year per importer are not expected, not intended to be released. Neither of these conditions apply to Double HH Mfg. products, or similar articles.

Double HH Manufacturing will continue to work closely with our Customers and Suppliers to help ensure compliance with all requirements of the REACH Regulations.
